

JOB OPPORTUNITIES AT THE CROLLY DISTILLERY AND VISITOR'S CENTRE

Job Title: Assistant Master Distiller

The CrollY Distillery and Visitor's Centre is seeking a suitably qualified distiller as we expand into the production of Irish whiskey. Our new 50,000 LPA distillery is due to open by year end 2019 so the post is available with immediate effect.

Job Description

The Assistant Distiller is an integral member of the distillery team. This individual should be flexible to changes in their responsibilities, hardworking with a 'can-do' attitude, and consider themselves to be a team player. This team member is responsible for assisting in the development of the CrollY Distillery products by creating and developing various craft spirits, distillation planning and execution, overseeing production, managing inventory, and regulatory compliance.

Qualifications

Responsibilities

- Ability to manage the day-to-day cycle of production in keeping the production schedule in line with all orders and distribution schedules
- Maintain all equipment owned and operated by the company
- Clean and rinse equipment used for the production of spirits
- Assist in all production aspects, including mashing, fermenting, and distilling spirits.
- Assist in lab analysis, sample cataloguing, and track compliance data for all distilled spirits produced on site
- Assist in filling, weighing, gauging, labelling, and placement of barrels
- Order production materials based on needs and budget constraints
- Assist in data entry to ensure accurate and up-to-date records for storage, production, and processing of all spirits

Initially working on equipment installation with our Process Engineers, this position is focused solely on the production of Irish whiskey both malt and pot still. We are seeking a dynamic, enthusiastic, energetic person with all relevant experience.

Contract: Full Time, 1 year minimum contract **Salary:** Competitive Salary

Location: CrollY, Donegal, Ireland **Closing Date:** 25th October 2019 17:00 hrs
